Dear Praying Friends,

Would you join me in praying that God would raise up men who will respond to the urgent need of training others in the work of Bible translation? Across the globe, there is a great awakening among people who desire to have God's Word in their own mother tongue through translations that are faithful, accurate, and trustworthy. Please pray with me that the Lord will call and prepare godly leaders to serve as Directors of Global Bible Translators for the continents of Africa, Asia, and Australia. These men will be instrumental in training national translators, strengthening existing translation projects, and helping bring the Word of God to millions who still do not have a faithful Bible in their own language. Africa has more than 2,200 tribal languages, many still have no Scripture in their mother tongue, while others have translations that are not faithful to the biblical text.

Time and again, we have witnessed national pastors and Christian workers step forward when they learn that training in Bible translation is available. Their desire is evident, but they need faithful leaders to train, encourage, and equip them for this vital ministry. They also need men who will continually promote the vision of providing every people group with a faithful translation of the Word of God.

This is the biblical pattern of multiplication found in 2 Timothy 2:2: As faithful men train other faithful men, the work of Bible translation can continue to expand from one generation to the next until every language has access to the Scriptures.

The Swahili/English New Testament has been printed and is now awaiting shipment to Kenya. The dedication service is scheduled for August 23 at Grace Baptist Church in Nakuru, Kenya. During the preceding week, our team will be teaching at the Bible college, equipping pastors and Christian workers in the ministry of Bible translation. It will be a busy and demanding week, and we would greatly appreciate your prayers for strength, wisdom, safety, and God's blessing upon every class and service.

Please pray:

1. Directors for Global Bible Translators, Africa… Asia…Australia.
2. August trip to Kenya: safety for our team and the shipment of Bibles.
3. Connie's Health: Her macular degeneration seems to be stable, continue to pray to that end. Also, pray for her situation with osteoporosis. She will have a DEXA scan next month to determine the bone mineral density.
4. Translation projects: pray for the translators that God would protect them and give them wisdom and discernment as they translate.

We are so very thankful for you prayers and support! May God richly bless you!

Until all may hear,

Stephen R. Zeinner
