

*Recruiting Trip to Singapore*

Steve Zeinner traveled to Korea in June 2019. There, he picked up Jim Taylor and the two of them traveled to Singapore. The purpose of this trip was to interview a prospective Chinese speaking translator to help the team in Bible translation. The trip to Singapore thus far was a success and now we will see how all of this will fit together. Dr. Zeinner had a wonderful time preaching in Gunsan, Korea for Brother Taylor and then at a pastor's fellowship in another city. After that, he traveled north to Incheon to spend the night and then headed home the next day. "Just got adjusted to Jet-leg," he said "and now I have to start it over again. A SPECIAL THANK YOU TO Jim Taylor FOR GOING WITH ME...YOU WERE A GREAT HELP AND BLESSING!!!"
